

Skid Grip™ Characteristics and Applications

Basic Uses

Skid Grip™ is an anti-slip micronized powder that adds texture to Decorative Sealers (Magnum Seal™, AquaClear VOC™, Premium Seal VOC 100™, Signature Satin 400™ and Signature Seal VOC™). The texture is without sharp edges and disperses easily into the sealers. The lightweight spherical shape and clarity gives Skid Grip™ its specific properties.

- Produces a “bite” to the concrete surface.
- Applications include inclined driveways, garages, steps, patios and pool decks.
- Makes the surface easier to walk on, and will not affect topcoat color.

Sizes

Skid Grip™ is available in 3.2 oz. containers (for one gallon of sealer) and 16 oz. containers (for five gallons of sealer).

Limitations

Use with adequate ventilation only. Open windows and doors or use other means to ensure air entering during application and drying. If you experience headaches or dizziness, increase ventilation or wear adequate protection.

DO NOT BACK ROLL WET AREAS!

Shelf Life

Shelf life of Skid Grip™ material in unopened containers is approximately 12 months.

Application

Add contents of Skid Grip™ to each one-gallon of Magnum Seal™, AquaClear VOC™, Premium Seal VOC 100™, Signature Satin 400™ or Signature Seal VOC™. Mix thoroughly and apply to the surface with a sprayer. Small areas may be brushed. In case of contact with eyes, flush thoroughly with large amounts of water. Get medical attention if irritation persists. If swallowed, get medical attention immediately.

Precautions

It is mandatory to take the following precautions to protect workers and the public:

1. KEEP OUT OF THE REACH OF CHILDREN.
2. Keep away from excessive heat and open flame.
3. Avoid inhalation of vapors. Ensure adequate ventilation.
4. Avoid contact with skin. Protective clothing is recommended. Contact areas should be thoroughly washed with soap and water.
5. Avoid contact with eyes. Flush with water if contact occurs.
6. Avoid ingestion of material. If ingestion occurs, contact a poison control center or physician immediately.

Additional precautions, safety information and first aid treatments are contained in the Material Safety Data Sheet.

Warranty

Legacy™ Decorative Concrete Systems, Inc. warrants that these products will be free from defects, and will perform as specified in the Technical Data Sheet, provided that storage, use and application of product are in accordance with manufacturer's recommendations and application instructions. The exclusive remedy of the user or buyer and the limit of the liability of this company for product proven defective shall be the purchase price paid by the user or buyer for the quantity of the Legacy™ Decorative Concrete Systems, Inc. products involved. Legacy™ Decorative Concrete Systems, Inc. shall not be liable for indirect, incidental, consequential, or special damages, whether due to breach of warranty or tort (including without limitation Legacy™ Decorative Concrete Systems, Inc.).
